

INSTITUTE FOR
HEALTHCARE POLICY & INNOVATION
UNIVERSITY OF MICHIGAN

Membership has its privileges.

(Here is a quick guide to yours.)

SEMINARS, WORKSHOPS, NETWORKING & OTHER EVENTS

IHPI members and their teams have access to a range of events organized or co-sponsored by IHPI. Most of them are open to faculty, staff and trainees but some are open only to faculty. RSVPs are sometimes required.

Contact: Stacy Trosell,
strosell@umich.edu

YOUR ONLINE IHPI MEMBER PROFILE

We create a robust online profile for each IHPI member; please review yours and help us make it the best it can be. You can also explore the profile database to discover potential new collaborators!

Contact: Stacy Trosell,
strosell@umich.edu

ON-SITE SHARED WORK SPACES

We offer a range of common spaces that IHPI members can use for meetings, small groups or solo work, even if you're not based at NCRC. Some require a reservation. See a list on the [IHPI Member Resources website](#).

INSIDE IHPI NEWSLETTER

Our monthly *Inside IHPI* newsletter, and periodic all-member emails, will keep you informed about opportunities, upcoming events, and institute-wide news. Your staff and trainees can also receive the newsletter; email ihpifedback@umich.edu to get them added to the list.

GENERAL QUESTIONS

734-763-5880
ihpifedback@umich.edu

PROFESSIONAL DEVELOPMENT & OTHER SUPPORT RESOURCES

Visit the [IHPI Member Resources website](#) (Level 1 login required) for more about our R01 Boot Camp, grant boilerplates and templates, and more. We also have an [Early Career Faculty Advisory Council](#).

COMMUNICATIONS SUPPORT

We work to promote our members' work via [Twitter](#) (@UM_IHPI), [LinkedIn](#), the [IHPI Informs newsletter](#) & the [IHPI Newsroom](#). We create lay-friendly materials, connect members to reporters seeking sources and coordinate with other U-M communicators. Twitter and LinkedIn training sessions available.

Media Relations - Kara Gavin,
kegavin@umich.edu

Communications/Marketing -
Christina Camilli-Whisenhunt,
camillic@umich.edu

GOVERNMENT RELATIONS

Our DC-based government relations director connects IHPI members with policymakers and influential groups, and with opportunities to impact health policy, as well as assisting with testimony preparation. Our Ann Arbor staff can help with connections at the state level.

DATA ACCESS & DATA-RELATED SERVICES

[Overview](#) | [Details](#)

IHPI members have guided access to our repository of more than 20 terabytes of data on 113 million Americans with various forms of insurance, and other data resources. Our Data & Methods Hub team can also assist with project planning and analytical methods.

Contact: Patrick Brady,
pgbrady@umich.edu

RESEARCH COLLABORATIONS

Our [Strategic Initiatives Catalyst](#) staff provide

IHPI members with project management and grant writing support for multidisciplinary research collaborations which align with our current strategic areas of focus in healthy aging, opioid overuse/abuse, health equity, and appropriateness of care.
